Profile

I am an enterprising individual who has recently finished and completed my two year IT Diploma. I am currently a freelance web developer and employed as a part-time roofer and I am studying different computer languages and frameworks such as HTML, CSS, JavaScript, jQuery, Wordpress, PHP, MySQL, APIs, Python etc. using online courses. I am determined to continue my development and start a career as a UI & UX Designer and Front-End Web Developer. I also am passionate about Graphic Design.
